We will take the following steps to put the policy into practice and make sure that it is achieving its aims:

1. The policy will be a priority for the organization.
2. DARREN WILKINS will be responsible for the day to day operation of the policy.
3. The policy will be communicated to all workers and job applicants.
4. Workers and their representatives and trade unions will be consulted regularly about the policy, and about related action plans and strategies.
5. All workers will be trained on the policy, on their rights and responsibilities under the policy, and on how the policy will affect the way they carry out their duties. No-one will be in any doubt about what constitutes acceptable and unacceptable conduct in the organisation.
6. Managers and workers in key decision-making areas will be trained on the discriminatory effects that provisions, practices, requirements, conditions, and criteria can have on some groups, and the importance of being able to justify decisions to apply them.
7. Complaints about discrimination or harassment in the course of employment will be regarded seriously, and may result in disciplinary sanctions, and even dismissal. The complaints procedure will be published in a form that is easily accessible.
8. Opportunities for employment, promotion, transfer and training will be advertised widely, internally and externally, and all applicants will be welcomed, irrespective of race, colour, nationality, ethnic or national origins, gender, sexual orientation, disability or age, religion or belief.
9. All workers will be encouraged to develop their skills and qualifications, and to take advantage of promotion and development opportunities in the organisation.
10. Selection criteria will be entirely related to the job or training opportunity
11. We will make reasonable changes to overcome physical and non-physical barriers that make it difficult for disabled employees to carry out their work, and for disabled customers to access our services.
12. We will take a flexible approach to working arrangements. We will consider requests for changes carefully and objectively, and will accommodate them unless it would cause significant difficulties to the business or the employee.
13. Information on the ethnic and racial background, gender, disability, and age of each worker and applicant for employment, promotion and training will be collected and analysed, to monitor each stage of the recruitment process. The information will be held in strictest confidence and will only be used to promote equality of opportunity. Information about the religion/belief and sexual orientation of employees may also be monitored.
